Dear Mr. Cruden:

John

The U.S. Environmental Protection Agency (EPA) is referring a request for the filing of a bankruptcy Proof of Claim in the bankruptcy proceeding initiated by Alpha Natural Resources Inc., and numerous related affiliates (Alpha). EPA seeks to preserve claims for violations of the Clean Water Act (CWA) and existing agreements and obligations contained in a comprehensive 2014 Consent Decree between EPA and Alpha and to ensure injunctive relief obligations are fulfilled. EPA is seeking the filing of a proof of claim pursuant to Section 501(a) of the Bankruptcy Code, 11 U.S.C. § 501(a). The underlying CWA violations fall under Sections 309(b) and (d) of the CWA, 33 U.S.C. § 1319(b) and (d). The proper venue for this action will be the Eastern District of Virginia Bankruptcy Court, where the Alpha bankruptcy is pending.

If you have any questions, please do not hesitate to contact me or have your staff contact Mr. Douglas Frankenthaler, Assistant Regional Counsel assigned to this matter, at 215-814-2472.

Sincerely,

A handwritten signature in blue ink, which appears to read "Shawn M. Garvin", is written over the word "Sincerely,".
